Setting safety as a benchmark

INVITATION

Dear Participant

On behalf of FAES FARMA and the MENARINI Group, it is a great pleasure to invite you to be present at the 9th Bilastine EAACI Symposium to be held at 17:30h on Sunday 12th June 2016 at the EAACI 2016 Congress in Vienna, Austria.

FAES FARMA and the MENARINI group have shown their commitment to the field of allergic diseases by developing and launching Bilastine, the newest and most modern non-sedating H1-antihistamine. The aim of the 2016 EAACI Symposium is to increase and refine knowledge regarding the development of the newest H1-antihistamines for use in the paediatric population and its overall safety.

We look forward to your participation in this informative and stimulating session.
