

A cluster of blue squares in various shades (dark blue, medium blue, light blue) arranged in a grid-like pattern in the top-left corner.

EXCELLENCE QUALITY & ENDEAVOUR

Founded in 1933, **FAES FARMA** develops, manufactures and commercializes pharmaceutical products and APIs, with a wide-ranging **international projection**

Today, FAES FARMA, the company that began more than **90 years ago** in a small Basque factory, is now present in Europe, Latin America and Africa.

Indeed, our origins have defined us, but it is even more important to know how far we want to go: **to take care of people's health today in order to have a healthier society tomorrow.**
